

COVID-19 Hygiene measures and guidelines for visitors from 15th September 2021

These COVID-19 hygiene measures and guidelines have been created for the protection of all persons present at IMC UAS Krems and out of respect for them. Starting from the winter semester 21/22 these guidelines, as amended, apply for all persons authorised to use the buildings of IMC FH Krems; they replace the previously valid measures. This is intended to prevent the spread of COVID-19. The IMC UAS Krems recommends to keep to the following regulations:

Compliance with 3G-regulation (tested, vaccinated, recovered) according to federal government guidelines.

- **Tested:** negative COVID-19 PCR test certificates are valid for 72h (including PCR gargle tests) and COVID-19 Antigen tests for 24h (Antigen home testing kits are not valid). Test about **proof of sufficient neutralizing antibodies** (German or English) preferably issued by an Austrian laboratory valid for 90 days.
- **Vaccinated:** from the vaccination date, if only one vaccination is required according to the vaccine, or after the 2nd vaccination (if required according to the vaccine), up to max. 270 days. Vaccine must be accredited in the EU.
- **Recovered:** Proof of having had a COVID-19 infection not longer than 180 days ago, starting from the 11th day after the 1st positive PCR test. Neutralizing antibody tests are valid for 90 days with an appropriate medical confirmation and are accepted.

Certificates should primarily show the legally required contents incl. QR code and can be presented electronically ([green passport](#)) or in paper form. Before entering the building, the certificates will be checked for correctness electronically via the public verification website www.greencheck.gv.at. Alternative, they must be presented upon request.

General regulations apply in all buildings and (outside) areas of the IMC FH Krems:

- **FFP2 masks** (no valve) in all public areas (corridors, toilets, kitchens, etc.) however not when seated in the meeting room
- **FFP2 masks** (no valve) are mandatory when the **minimum distance cannot be maintained**
- **Social distancing, Maintaining the minimum distance required**
- **Regular washing and disinfecting of hands**
- Attention to **breathing hygiene**, avoid touching the face
- **No hand shaking; no hugging**
- **Avoid congregating** in groups
- It is recommended that all visitors **take their temperature** at home before they come to IMC UAS Krems

If you show **symptoms of COVID-19 illness**, under no circumstances must you come to the IMC UAS Krems! **Call the health hotline 1450! Please inform your IMC UAS Krems Contact that you are not able to attend your appointment.**

Likewise, if you have received a **valid notification from the health authority**, that you have either been identified as a possible **contact person** or **tested positive** for COVID-19. **Report** to IMC UAS Krems if you have been present at IMC UAS Krems within the last **48hrs** using info@fh-krems.ac.at.

On arrival at the IMC UAS Krems, call your IMC contact person and you will be collected from the entrance. It is not possible to enter the IMC UAS buildings unaccompanied.

Please **wash or disinfect your hands** immediately after entering the building. Disinfectants are available in the public areas and in the meeting rooms.

The **rooms are disinfected** before and after each appointment.

Thank you for your cooperation!
